Pioneer Park Beast Bash is the first Mid-Summer Pet Event in the Tri-State Area catering to pets and their owners. During this event, and for a full month prior, you have the opportunity to put your image and your message directly into the hands of thousands of pet-oriented consumers. Depending on your level of sponsorship, your company may benefit from many of the following event-related promotions:

- High traffic locations within event grounds
- Use of event logo in product promotion
- Sampling/couponing
- Retail/trade promotion
- High visibility signage
- On air media coverage
- Extensive print promotion

Depending on your level of involvement, your advertising/promotional message will be seen during the festival's promotion period. We're targeting pet owners of Kentucky, Ohio and Indiana all who pamper and spend a great deal of money on their pets. We expect to reach in excess of 2,000 people at the event plus the countless thousands that will hear or read about the event through newspaper articles, public service announcements on radio and television, radio interviews, websites, posters, flyers, and the event programs, but may not be able to attend.
